

Application No. 10/732,754  
Art Unit 3765  
AMENDMENT  
Page 6

### REMARKS

A replacement sheet of drawings is submitted herewith, in which reference numbers 42, 44, 52, and 62 have been added, as and where appropriate, and in which an erroneous use of reference number 60 has been deleted from Figure 1.

By the preceding amendments, the specification has been amended on pages 3 and 4, in the bridging paragraph, and on page 4, in lines 9 through 14, as and where noted by the primary examiner.

By the preceding amendments, claim 1 has been amended so as to incorporate the limitations of claim 3, which had depended upon claim 1 without any intervening claim and which the primary examiner indicated would be allowable if rewritten in independent form. Claim 1 should be now allowable.

Moreover, claims 4, 5, 6, and 11 have been amended for consistency with claim 1, as amended. Claims 2, 7, and 8 have been retained. Claims 2, 4, 5, 6, 7, 8, and 11 should be now allowable.

The primary examiner is invited to telephone the undersigned attorney if any issues remain unresolved.

Respectfully submitted,

By   
Allen J. Hoover
